SUBJECT:— Sannyasikalli village in the Devanahalli Taluk.

LAST REFERENCE.

Rukkari ~~Letter~~ No. 285 dated 17th January 1902 from the Dy Commissioner, Bangalore District.

Sannyasikalli in the Devanahalli Taluk, is a Jodi Inam village attached to the Lingagiya matt, the direct management of which is now under the Muzrai Dept. The village was a Bachaokh one when it was taken under the Government—

management in pursuance
of the orders conveyed
in Government Proceedings
no 694-7 dated 23rd
Aug H 36-93
December 1893.

2 Mr C. E. Murray
Ansley, a Copper-planter,
applied in 1894 for the
grant of the village in
question for cultivation
on Inamya tenure. A
Valuation Survey and
Classification of the village
lands were thereupon
ordered in 1895 and
the Government accepted x
the Darkhast of Mr
Murray Ansley and
sanctioned the grant
to him of the whole of the
lands of the village
on

In Govt Pro no
1077 dated 1st
June 1895

Thungya tenure, on the
Condition of his paying
to the Mutt an annual
assessment on the lands
at the rates specified in
the margin*. On granting
the lands, however, the
Soti the Thumbhoque and
the Devasthaya Inams
were excluded.

3. The grantee enjoyed
the Village till 1898-99
and in accordance with
the terms of the grant
paid the full assessment
for the 5th year (1898-99)
He then sold the property
to Mrs Blake in 1899-900
and the latter paid the
full assessment for that
year.

* For the 1st year of the grant (1894-95) } 4 annas per Re of assessment
For the 2nd " Do (95-96) 6 as "
For the 3rd Do (96-97) 8 as "
For the 4th Do (97-98) 12 as "
For the 5th and subsequent years } the full assessment as per Settlement.

4 In August 1901,

Mr Wolfinden, Manager
of Mrs Blake's Estate,
seems to have represented
to the Dy Commissioner of
the Bangalore District,
that sometime ago he
petitioned the Hon'ble
the Resident requesting
the reduction of the
assessment for a further
period of 5 years. How
these petitions ~~were disposed~~ alleged to have been
~~of~~ is not clear, as no
such petitions were received
in this Office from the
Residency, or the Dy Comr's.
In December
1901

submitted to the
Residency and to
the Deputy Commissioner
were disposed of

Mr Wolfinden addressed
the Amildar of the
Devanhalli Taluk, enclosing
a copy of his petitions

to the Dy Commissioner
and requesting him to
have the assessment
reduced £ by allowing
him the Acreage tenure
for a further period
of 5 years; because
he stated that the present
owner of the Estate, finding
that Coffee would not
pay or yield sufficient
to pay working expenses
even, turned the Estate
into a Dairy Breeding
Farm and that it
would take at least another
five years before the
Land could give
any Revenue whatever
The Auditor reported
to the Dy Commissioner

that the Kumbayam &c
due on the village since
Sarvari (1900-901) has it
not been paid; that
Mr Wolfendale, the manager
of the Estate, pleaded
a heavy loss and therefore
urged for the extension
of the Thranga tirwai
for a further period
of 5 years and that
he had seen the lands
& a greater portion of
which was lying waste
The Auditor solicited
instructions, however,
in the matter of collecting
the arrears. The Dy
Commissioner, Mr M. S.
Narayana Rao, in his states in his
present Rabkari. states
that

that he has seen the lands and is of opinion that the ~~Thengya~~ time may be extended for 3 years more - The present Dy Comr Mr Sparkes has addressed another ~~x~~ letter to this Office, enclosing copies of the two letters he received from Mrs Blake, complaining of the heavy assessment.

5. The Kandayam &c due on the lands are in arrears since Fasl Varé (1900-901)

7 The Dewan's order dated 24th Oct: 1902 endorsed on page 8 of this Note, was issued in Govt: Pro: No. 886 mux 736-93 dated 3rd November 1902, observing that there were no grounds for the extension of the Shrotriem tenure and directing the recovery of the arrears of assessment with a concession that if one half was promptly paid up, the other half would be remitted. It was further directed that full assessment should be recovered in future or the present proprietor told to resign the land

8. As the estate is under the direct management of the Nursery department a Copy of the above Proceedings was sent to the Amildar of Devanhalli Taluk and he was asked to report the action taken by him to Rom 17. recover the arrears.

In reply the Amildar submitted a report stating that a notice was served on Mrs Blake through her Agent Mr Bennett that Mrs Blake wrote in reply that through the Govt. Pro: directed the recovery of one years assessment only which however she accepted, and that no mention was made thereon

therein about the interest and that therefore she would not pay it. She however sent a cheque on Messrs. William Watson and Co. of Bombay for Rs 614-10-0. The Amildar sought instns in the matter of cashing the cheque & the Draft Treasury Officer directed that it should be returned as it was not possible to cash such cheques. This was intimated to Mrs Blake and she was further informed that the calculation of interest was in accordance with the Land Rev. Rules to which however she seems

to have replied that it

was reported by the Auildar
to the D/Comm:r who ~~[illegible]~~

issued a notice to Mrs Blake
stating that if the arrears
were not paid up in full before the end of May 903,
the lands would under Sec

further reported that in
the meanwhile, Mr a-W- Blake
had written to him to say that
Mrs Blake had gone to Europe
that She was unwilling to pay
the heavy assessment + that
Govt: may do what they liked—
Thereupon

10. Thereupon, on the 22nd June 1903, this Office asked the Amildar to report what action was taken by him to recover the arrears of assessment as the date (31st May 1903) fixed by the Dy Comm had elapsed whereupon the Amildar reported that the amount had not been received that therefore he had reported to the Dy Comm: submitting (1) Declaration of forfeiture (2) Statement of attachment &c, notifying the sale by auction of the lands.

The Dy Comm: reports that in spite of the notice of Demand issued to Mr Blake with intimation that the Estate would be sold by public auction if the arrears was not paid, he failed to pay & that consequently the Estate was sold, the sale being conducted by Mr R.J. Kumaraswami Naik Asst Comm: in charge of the Taluk. It is stated that nobody came forward to bid for the same & that the village was resumed to Govt. Subsequently, one Mr Kaundynnya is reported

pay the whole arrears
due, viz, Rs 2000-9-2

Mevrai Secretary's remarks:-

The Amildar,

the Division Assistant

Commissioner and

the Deputy Commis-

sioner are all agreed

in saying that the

condition of the lands

is such as cannot

bear the payment

of such a high

assessment as Rs 578-12-0

per annum now

fixed upon them

exclusive of the

Local Ceso The
Amildar recommends
the reduction of
the assessment to
Rs 350 and suggests
that Rs 100 may be
fixed for the first
year, 150 for the 2nd
year and so on upto
to a limit of Rs 350.
The Assistant Commissi
and the Deputy Commissione-
-sioner I take in
general terms that
Concessions may be
shown by way of
Kharcha tauvi. It
does not seem
desirable to frame rule
to reduce the assess-
ment in

Department, but a Shroff may be allowed of 4 a.s, for the first year, 6 annas for the 2nd year, 8 annas for the 3rd year, 12 annas for the 4th year and one rupee or the full assessment for the 5th and subse-quent years. This was the arrangement sanctioned by Government in the case of Mr. Murray Aynsley, and it may now be repeated in consideration of the hardship of the

Case.

The assessment pay-able for the year 1903-04 may, as prayed for by Mr. Kaundinya ~~Veeraraghava~~ be al-together remitted in view of the fact that he paid the large sum of Rs 2000, the arrears of previous years due by Mrs. Blake, when he got possession of the lands He may be asked to pay now a four anna share of the assessment for the year 1904-05 in accordance

with the suggestion
made above.

The Dewan's orders recorded on page 30 of this Note were issued in Govt: Pro: No 3626-8 dy 31st March 1905, Sanctioning Shraya tenure on the Sanyasikalli Estate to Mr. Kaundinya for cultivation subject however to modification of the rates of assessment on receipt of the Survey & Settlement Commissioners report thereon. Mr. Kaundinya also was accordingly informed.

Flag X

Col: Grant in reply (his letter No 4952 10.6.1905. Flag Y) states that the question presents considerable difficulty, that the assessment now fixed is in keeping with all the neighbouring rates which the ryots are willingly paying, that there is this difference viz that while Mr. Kaundinya

requires the whole estate for his purposes, the ryot can select & pay for only those Survey nos which he enjoys and that if the ~~Cultivator~~ former pays the Survey rate only for the land which he actually cultivates there is no hardship whatever, but Mr Kammdinja wishes to have the proprietary right in the whole village although if ~~it was offered~~ thrown open to the offers of others, the whole of the lands would possibly be taken up for cultivation.

Col: Grant does not think it right that there should be both Concession & manipulation of the Survey assessment fixed on general considerations in the whole Taluk. He is of opinion that apart from the granting of any concession finality
